Get A Virtual Experience
Of Your Home Decor.....!

Skydecor began its journey in the year 2016 with a goal to reach beyond the sky limits. With over 1,00,000 sq. meters of Infrastructure area and state of the art machinery, we aim to expand and develop at every stage. Our manufacturing units are in Greater Noida and Hapur where we manufacture PVC Laminates, Acrylic Laminates and Decorative Laminates. Our Operational Headquarters is in Noida and Experience Center in Kirti Nagar.

Boasting a legacy of a decade, Skydecor Laminates offers to revitalize the space around you. Our collections offer limitless possibilities for an interior space to look stylish and refined. From solids to textures, from naturals to eternals, our laminates come in a wide variety of designs and patterns.

As a socially and environmentally responsible company, Skydecor also prioritizes sustainability in our design practices. We strive to incorporate eco-friendly materials, energy-efficient solutions, and sustainable practices wherever possible, contributing to a greener and more sustainable future.

Our team follows a collaborative approach, working closely to ensure smooth project management, timely execution, and impeccable finishing. We believe by developing a large dealer network in India, Skydecor has left its footprints around our country. Our team works with clients to understand their vision, preferences, and requirements, ensuring that each project reflects their individuality and exceeds their expectations. We pay meticulous attention to detail, incorporating the latest design trends, materials, and technologies to create inspiring and functional spaces.

Researching and developing a wide range of laminate designs with the utmost quality and at affordable prices has become our key goal for customer satisfaction. Explore Skydecor's Laminates collection to design your interiors according to your specifics.

FEATHER TOUCH

AR. GLENN MURCUTT

We do not create the work. I believe we, in fact, are discoverers.

AR. LUIS BARRAGÁN

Any architectural work that does not express serenity is an error.

AR. B.V. DOSHI

Design is nothing but a humble understanding of materials, a natural instinct for solutions, and respect for nature.

AR. NORMAN FOSTER

As an architect, you design for the present, with an awareness of the past, for a future which is essentially unknown.

AR. LUDWIG MIES VAN DER ROHE

Architecture is the will of an epoch translated into space.
